

MEMBER CARE

Level 1 - Sunday Morning

We believe that the Word of God strengthens the church. On Sunday mornings you will have opportunities to sing the Word through worship, hear the Word through preaching, and see the Word through the ordinances. We encourage you not to disconnect yourself from the ministry of the Word or the gathering of God's people in times of need.

Level 2 - Groups and Serve Teams

The primary way we care for each other is through participating in groups or serving together. These environments help us all be known and loved. It is our hope that you will develop deep and life-giving relationships as a result of your involvement in these groups.

Level 3- Group or Serve Team Leaders

All of our leaders have a heart to care and lead God's people. We encourage you to approach your group leader or serve team leader in times of need.

Level 4 - Elders and Pastoral Team

One of the primary roles of our team is to shepherd and care for the church. If you are in need of more comprehensive care then please let our team know and we'd love to connect with you.

Level 5 - Professional & Supplemental Help

There are times when a situation or struggle may be outside of the expertise of our pastors and leaders. If this is the case, then our elders will work to connect you with trusted counseling professionals who can supplement their care for you.
