

WHAT BELIEFS ARE MOST IMPORTANT?

Tier 1 - Christian Faith

CENTRAL AND ESSENTIAL DOCTRINES OF CHRISTIANITY

You can't deny these teachings and still be a Christian in any meaningful sense.

Tier 2 - Different Church

DOCTRINES THAT CREATE REASONABLE BOUNDARIES BETWEEN CHRISTIANS

You don't have to hold one particular view to be a Christian, but it's challenging for a church to have healthy unity when its leaders and members disagree on these matters.

Tier 3 - Agree to Disagree

DOCTRINES OVER WHICH CHRISTIANS MAY DISAGREE AND STILL REMAIN IN CLOSE FELLOWSHIP

Disagreement on tertiary issues shouldn't cause disunity in a church family.
